The Chairman Speaks:

The 108th Annual Meeting of Tattersall's Club was held in the Club Room on Wednesday, 14th June, when the Annual Report, Balance Sheet and accompanying statements were presented and adopted with acclamation.

This was most gratifying to the Treasurer, Committee and myself, who have had a very arduous year with the completion—to this stage—of the Club Development Plan.

The Committee also appreciated the confidence of members in returning them unopposed for the next year.

Members can rest assured that the same thought and hard work, so necessary in guiding the destiny of a club with the standing of Tattersall's, will be continued.

Rt. Hon. A. A. Calwell has become a Privy Councillor, which distinction ranks above all conferred titles except the VC, George Cross and Knight of the Garter. It is expected that Mr. Calwell will receive his honour while on his overseas tour.

Sir Norman Cowper, CBE, one of Sydney's prominent legal men, chairman of Angus & Robertson and a director of Australian Fixed Trusts, is now a Knight Bachelor.

Sir Cedric Turner, CBE, was until last month general manager for many years of Qantas, and was awarded a CBE in 1958 for services to aviation. He is now a Knight Bachelor.

R. C. Reed has received a CBE for services to the shipping industry.

E. K. White, MC, has now received a CBE for services as co-founder and vice-president of the Australian-American Association.

W. H. Bentley, received an O.B.E. for services to commerce.

S. V. Jones has received an OBE for services to the shipping industry.

T. K. Shakespeare has received an MBE for services to bowls and the community.

MIDSTREAM IN THE GOLF COURSE

Members will remember a recent article about an overseas trip undertaken by Clare Higson and Tom Crow of Precision Golf Forging.

Well, apart from obtaining orders for \$200,000 worth of golf clubs they played golf with President Marcos of the Philippines, at his private golf course in Manila.

The first hole was a 180-yards water carry over the Pasig River and although Tom made it easily Clare just got there with a 3-iron. However, there was no worry that they might lose their balls, even had they not reached the other side. President Marcos had a bevy of pretty girls seated on a barge in midstream ready to dive in and retrieve them.

As a momento for carrying the river in one shot, Clare and Tom were presented with red golfing caps of the President's own golf club.

HIGH HONOUR

Club member Sir Edward Warren, chairman of the Australia-Japan Business Co-operation Committee was recently awarded the Second Class Order of the Rising Sun.

Sir Edward is the first Australian businessman to receive the white enamelled star and collar of the order since the end of World War II, and the second Australian after Sir Macfarlane Burnet, author and Nobel Prize winner, who was awarded this honour in 1961.

This award is the equivalent of Knight Commander of the British Empire, which Sir Edward was created in 1959.

THANKS

The members of the Irish Rugby Union touring team who visited Sydney recently have sent a letter of thanks to the Committee for the kindness and hospitality extended to them. Included was a vote of appreciation for being able to use the Club's facilities while they were here.

WORLD TOUR

Prominent Club member, Reg Want, is on a two months' overseas study tour organised by the Master Builders' Association. He is accompanied by representatives from all over Australia.

This tour is in conjunction with the world wide Universal Builders' Association, and included in their busy itinerary are visits to the principal manufacturing organisations with a view to promoting the building industry in Australia.

ON THE MOVE

Cec Blanksby seems to be always on the move these days, with conferences in Brisbane, Melbourne and Adelaide, stopping over at various vineyards. All very nice at this time of the year, although your friends miss you at lunch in the Dining Room, Cec.

FROM NEW GUINEA

Nice to see Bill Meehan in the Club again. Bill is a member who resides in New Guinea, and is here on a rush visit only, so we will not be seeing as much of him as we would like. Never mind, Bill, make your next visit soon.

HONOURED BY ROTARY

Sir James Kirby recently received yet another honour, this time the Rotary Club's Annual Vocational Award. This award is presented to people who have given special service to the community through their vocation. Congratulations, Sir James.

DRUPA EXHIBITION

An enthusiastic group of the printing trade's executives farewelled Bert Caldwell who will be visiting Germany for the Drupa Printing Exhibition, and then on to many other countries before returning to the grindstone. Club members Jack Smith and Allan Hansen were in the Dining Room recently to say au revoir over lunch.

AUSTRALIAN FOR TOP JOB

Tattersall's Club member Jack Edwards has been appointed Paramount's managing director. The posting is effective immediately.

A widely experienced motion picture industry executive with an extensive knowledge of the Australian territory, Jack Edwards has served with the company for forty years.

Joining Paramount in 1927 in the Head Office publicity department, he has occupied a number of key posts in the company, including branch managership of the Perth and Melbourne Offices.

In 1963, while serving as Victorian manager, he was appointed general sales manager, a post he has occupied until his new elevation.

His service with Paramount was interrupted when he served in the Second World War.

Jack's appointment is welcomed by club members, especially from the motion picture industry in Australia.

GOING PLACES

Committeeman Jack O'Neill recently received a letter from member Laurie Maher who is certainly going places — London, England, Scotland, Ireland, Lourdes, Russia, Poland, and the Continent as far south as Capri. We at the Club who are not so fortunate wish you and your wife a marvellous holiday, Laurie.

HOLIDAYS

Ray Vaughan has been on the sick list and has not been a "regular" at the Club for some time. Now we have received a card from him which states that he is taking a holiday in Cairns. Your friends here are glad to hear that all is well.

"BY GEORGE"

Club member, Roly Murray, manager for Australia of The Distillers Agency, left Sydney recently for an extended trip of the Far East. Prior to his appointment in Australia, Roly was stationed in Singapore, so naturally he will be looking forward to renewing old acquaintances.

A THANK YOU

Club member Bill Walsh recently held a cocktail party in the Sportsman's Room on behalf of RCA Records, and next day made a special point of complimenting the staff on a wellorganised function. Of all the members who have held various types of functions in the Club we are pleased to say that we have had no complaints — all seem pleased with the final result.

AFFILIATED CLUBS

Member Marcus Balkind wrote to thank the Club for providing the introduction cards to the various clubs while he and his wife were on their overseas trip. He mentioned in particular the Outrigger Canoe Club in Honolulu, whose facilities and courtesies made their stay most enjoyable. Glad to hear that you enjoyed the use of these privileges, Marcus.

RENEWED FRIENDSHIP

Committeeman Alf Collins was very pleased to hear that one of his old wartime buddies was to spend some time in Sydney during June. Quite a few members will remember Lieut. Commander Joseph Buchalter who was an honorary member of the Club during the last world war. Alf and his friends welcomed Joe to the Club, and wished him a pleasant stay in Australia.

CONGRATULATIONS, SKIPPER BRUCE CAMERON

Sydney Amateur Sailing Club has nominated Bruce Cameron's new yacht Wathara II as their representative at Le Havre, France, this month for the One Ton Cup. At least nine nations have entered for the event, consequently the sailing will be competitive. Bruce, we at the club wish you and your crew all the best of luck and hope you bring back the cup.

Blue sapphire, diamond and white gold earrings, \$250

Nothing equals fine jewellery . . . a lasting personal gift, a constant reminder of your thoughtfulness.

AFFILIATED CLUB

Members are advised of new arrangements regarding the use of our affiliated club in Honolulu, the Outrigger Canoe Club.

Apparently since taking over new premises the Outrigger Canoe Club has considerably increased their business, and it has become necessary for them to restrict visitors to Mondays to Fridays, which means that members only are able to use the Club on Saturdays and Sundays.

It has also been decided that reciprocal club guests will pay a fee of \$U.S.12.00 for privileges for two weeks, and of course members should present their reciprocal card.

Despite these restrictions members are still extended a most cordial welcome to the Outrigger Canoe Club, and judging by reports from those who have visited this Club it is a popular and well-recommended Club.

APPOINTMENT OF ASSISTANT SECRETARY

The Committee recently appointed Mr. Jim Thomson as Assistant Secretary of the Club.

He was formerly Office Manager from 1957. Mr. Thomson was previously employed at the Club from 1951 and left of his own accord in 1954. He served in the 2/25th Battalion A.I.F. for $5\frac{1}{2}$ years during the war, and since that time has taken an active part in the activities of his former Battalion.

The Committee feel that this appointment will materially assist the Secretary and the Committee in the efficient management of the Club's affairs.

CLUB COMMITTEE

Re-elected unopposed

FRANK CARBERRY — CHAIRMAN

Frank Carberry brings to our chair a long association with Tattersall's executive body, being on our committee for 22 years. He was Treasurer for three of these years before being elected to Chairmanship in 1961. Frank is one of our country's leading oral surgeons and is a prominent figure in professional circles. He has an outstanding sporting background and in his younger days was a swimmer of international repute with many titles to his credit. During his association with our Club, he has done much to foster the sporting side of our activities. A keen racing fan and a modest punter, he has the interest of our Club at heart and devotes most of his time to our affairs.

H. L. J. (BARNEY) FAY — TREASURER

Barney Fay is a bookmaking member of Tattersall's and started his career in this field in Brisbane. He later came to Sydney to live and work and has fielded on our major courses ever since. At one stage during the 1930's, Barney was operating on both Brisbane and Sydney courses. He is still a member of Tattersall's in Brisbane and before coming to Sydney was a committeeman of that Club. He was elected to our own Committee in October, 1959, and has served on it ever since. He has been a member of Tattersall's for 30 years.

ALF COLLINS

Longest serving committeeman, Alf Collins, was for many years a well-known member of the legal profession. Over latter years other business interests have taken up his time and though he still retains his connection with his firm, he is no longer active in it on a full-time basis. Racing has always been an absorbing hobby with Alf, and he was at one time a racing journalist. He has been a member of the A.J.C. since 1920, the S.T.C. since its inception and a Member of Tattersall's since 1927. A noted turf expert, Alf has seen racing all over the world. He is also a Life Member of the Club.

CLAUDE MOORE

Claude Moore's family tradition is steeped in racing. His father founded the once well-known Moorefield course on land owned by Claude's grandfather. Claude has followed the family tradition and over the years he has been on the committee of most of Sydney's racing clubs at one time or another. He is presently on the committee of the Sydney Turf Club. A well-known property-owner in the country for many years, he sold out to come to the city and build up one of the largest furniture stores in the suburbs. He disposed of this, too, in turn, and now confines his interests to racing.

GEOFF EASTMENT

Geoff Eastment is a partner with his two brother club-members in the prominent building firm of F. T. Eastment and Sons. This firm has been responsible for the erection of some of Sydney's best-known commercial and public buildings. A member of both Bonnie Doon and Pymble Golf clubs, Geoff is a keen and enthusiastic player of the game. He is also a supporter of cricket and used to play grade for Paddington. His other sporting interest is handball and he is a "regular" on our third floor. Geoff now commences his ninth year as a Tattersall's Club Committeeman.

JOHN R. McKELL

John McKell is an insurance executive. He was educated at Marist Bros. Darlinghurst and St. Joseph's College. He was active in several sports in his youth and showed great potential as a welterweight boxer. Nowadays he keeps in trim with an occasional work out at the Police Citizens' Boys Club gymnasium in Paddington. He is a regular member of Tattersall's Bowling Section and a member of Double Bay Bowling Club. He is also a member of the S.T.C. and a provisional member of the A.J.C.

PETER McGRATH

Peter William McGrath is a managing director of a private company associated with shipping, transport, customs, and allied services.

He is on the sub-committee of the Billiards and Snooker and has been for 11 years. He was a former committeeman, honorary secretary and vice-president of Dover Heights Bowling Club, and is a provisional member of the Australian Jockey Club.

ARTHUR McCAMLEY

Arthur McCamley is well-known in Sydney's commercial circles as a Director of E. McCamley and Sons, manufacturers of industrial footwear. He is an enthusiastic follower of racing and a well-known owner who has had several prominent horses carry his colours. Arthur has always been a lover of sport and has supported our athletic department activities for many years. He serves on both our swimming and handball committees at the present time. A member of the Club since 1941, Arthur now commences his seventh term on our Committee.

JACK O'NEILL

The O'Neill family have been well-known in the hotel field over many years. Jack's family owned several hotels on the north coast and when Jack came to Sydney from there in 1934, he took over the Town Hall Hotel. Later, he had the licence of the famous Hampton Court at King's Cross. He now has interests in several. Jack lives at Pymble and enjoys working in his garden when his professional commitments permit. A member of the Sydney Turf Club and the Australian Jockey Club, he also has a wide interest in many sports.

LES TIDMARSH

Les Tidmarsh is one of Australia's most colourful fielders. He is one of three brothers, all of whom are bookmaking members of our Club. Although Les is well known as a bookmaker, he has a considerable number of business interests as well, one of which is the Lion Tile Co., a family concern. Both Les and his wife are enthusiastic supporters of various charities and do a great deal of community work. Les has been a Tattersall's member for over 16 years and has been a committee member since 1958.

OFFICIAL WELCOME TO NEW MEMBERS

The Chairman and Committee officially welcomed many new members to the Club last month. This was a delayed welcome due to the Club Development Plan, nevertheless the Chairman, in his speech of welcome, assured them of our pleasure in having them as members and hoped they would enjoy the many privileges available and also accept their responsibilities towards our Club of which they can be justly proud. The function was praised by those present, and all agreed that it was an excellent opportunity of meeting other members and the Committee.

The Chairman welcomes new members.

SWIMMING NOTES

Norm Rogers and Gordon Williams put up an exciting tussle in the pool to tie for the May Point Score after Terry Forrest looked a sure thing with one race to go.

Terry then had a lead of three points, but failed to win his way into the final of the last event of the series. Final wins by Norm Rogers and Gordon Williams gave them a dead heat one point ahead of Terry Forrest, with Basil Phillips another point behind.

Racing has been extremely thrilling since the last issue of T.C.M., with an average of forty starters in the five contests and a great collection of

speedy times.

Norm Rogers swam his best ever with a 19.4 effort. Brian Mortensen's 19.6 was the best he has swum since joining the Club. Other good performances were 19.5 by David Emanuel, 19.6 by David Cohen, and 19.7 by Peter Wakefield.

The handicapper worked his red pencil overtime when the following lost a second off their handicaps:— Peter Wakefield, Peter Gracie, Basil Phillips, David Cohen, Gordon Williams, Norm Rogers, Brian Mortensen, Derek Jackson and Bill Orme, while Chris Dobbyns lost a couple making an improvement of four for the season.

With one event to complete the 1966/67 handicap season, Brian Mortensen with $23\frac{1}{2}$ points, looks a certainty to win the June Point Score as he leads Bill Richards by $4\frac{1}{2}$ points.

John Cunningham should win the "Native Son" contest for most points scored during the season, even if he failed to start in the last handicap of the 1966/67 season, as he has an unbeatable lead of $8\frac{1}{2}$ points. The contest for second place is a thriller with Terry Forrest a point ahead of David Cohen.

New member, Dr. Dick Deveridge, promises to put all the stars on their mettle as he looks sure to get down to about 19 seconds.

Charlie Robinson missed his first race in two years on 20th June when he was out of town. There are few greater enthusiasts than Charles.

By the time these notes appear in print the Club championship will have been swum and won on the 4th and 6th of July. John Devitt holds the title but he will need to keep moving to win this time if one can judge from the sparkling near 19 seconds swims of quite a number of his rivals.

The Swimming Club's cocktail party and presentation of the 1965/66 trophies on 15th June was a great success, and our new members of the past two seasons could not speak too highly of the good time had by all, especially by the ladies.

Tattersall's Club's Chairman, Mr. Frank Carberry, presented the trophies

after a fine speech in which he congratulated the officials and members of the Swimming Club for their fine work and sportsmanship.

Jim Comans, winner of the "Native Son" Point Score trophy donated by our old friend, Bill Kirwan, brought the house down with a speech in which he pulled no punches at the expense of the "Gestapo" and had the crowd in fits of laughter. Good on you, Jim!

The trophies were:

HANDBALL NOTES

Winooka Trophy Competition

The interest in the Winooka Trophy has quickened during the past few weeks, and as a result a number of matches were played. We have now almost reached the stage where there are only a couple of games to be completed to finalise this event.

Results of matches completed are as follows:

Bruce Galea (—20) defeated Bruce Partridge (—6) 41-29, Bruce Galea (—20) defeated Charles Robinson (+17) 41-34, Don Stait (+18) defeated Bruce Chiene (+25) 41-30, Robert Hill (+32) defeated Ron Spencer (+22) 41-20.

These results left Bruce Galea (-20), Don Stait (+18) and Robert Hill (+32) in the competition. The draw for the final will be:

Bruce Galea v. Don Stait; Winner v. Robert Hill.

The match between the "Two Bruces" was terrific! Galea (—20) faced a mighty task indeed to defeat Partridge (—6). He proved to be quite equal to the job, and ran out the winner by 41-29.

Following his victory over Bruce Partridge, Bruce Galea played his match against Charles Robinson who is on a handicap of ± 17 .

When you realise that Bruce was commencing twenty points behind scratch against Charles on 17 points in front of scratch and who had only

to win 24 points against Bruce's 61 points, you would be prepared to concede that Charles had an undeniable chance.

It was of no use — Bruce Galea allowed him to win only 17 points and ran out an easy winner by 41-34, thus adding another victory to his already imposing record.

Don Stait was too strong for Bruce Chiene and had a very comfortable win. Bruce was obviously short of a "gallop". I reckon his trainer, Fred Allsop, has been a bit easy with him on the track.

Robert Hill continues to show good form and he carried too many guns for Ron Spencer, whom he defeated 41-20. Despite the difference in scores Ron put up a good show, but Robert is a definite improver, proving to be the better player on the day. To you, Robert, we give you "the winner's pat".

This is how the "Winooka" stands at the moment, and I am hopeful that it will be concluded within the next week or so. Norman Rogers, Secretary, appears to think it will and that he should commence a new competition, so he has placed the notice on the board calling for entries for the "Good Idea Competition."

Put your names down, chaps, and make this event a great success. As you know our very good supporter, Arthur Browning, has provided this trophy for many years, and to you, Arthur, we send our very best wishes.

GOLF NOTES

Pennant Hills Golf Club was the venue of the second meeting of Tattersall's Club Golf Club on 30th May. 56 players enjoyed the course and facilities of the club.

As his last putt rolled in to notch up a winning score of 46 stableford points, Kevin McCann's usual smile was even broader. His partner, John Rowles, was in excellent form, too.

Hugh Norton and Jim Kennedy were the runners-up with a well compiled 43 points, and one of these two was heard to say: "If only I could putt!"

John Rowles "ran hot" and his 43 points won the singles. ('Tis said the card is on the way to his own club's secretary.) How many points will he lose? You can't have the rose without the thorn, John. Ian Bell also had a nice score of 37 points to take second money.

Distinguished sporting personality, Allan Black, was interested in birds—this time the black and white magpie type. Allan, forever seeking fair play of course, noticed a young magpie getting the worst of it by means of claws and beaks of three other magpies. He dashed in with the skill of a referee at the stadium wrestling, and parted them to make it a fair fight. Good on you, Allan.

Four members were then seen chasing two horses out of the gate. We are not sure if it was the interest in keeping the putting greens intact, or if they happened to be two of the horses Bill Sellen or Bill Sinclair tipped last week!

Lyal Binns, hard-working secretary of Tattersall's, had a bet we'd all like to lay — back the rabbit in a race. A rabbit was sighted and Lyal offered an even 20 cents to the other members of his fourball if they could catch the rabbit. To his surprise Peter Dind, Roger Lind and John Garrity surrounded the bunny which was easily caught. "Stewards" were called in and bets declared off, as the poor bunny was blind, lame and near the end of its life span. Apart from that the "Stewards" said there were no suspicious circumstances and no action would be taken.

The Golf Club is a very happy section of Tattersall's Club. Members are urged to make contact with the Club's Secretary and also watch the magazine for details of the next meeting. Two dollars a year makes you a member.

The next day has been scheduled at Pymble on 11th July, with a future date at Manly on 7th September.

Circulars will be forwarded to members, so those who wish to become members please advise the office. Further days will be advised as arrangements are finalised.

BOWLING NOTES

By the time this article goes to press the Annual General Meeting will have been held, with most of last year's officers signifying their intention to carry on for another year.

This augers well for the Bowling Section, as last year was, no doubt, one of the most successful in its history.

New ground was covered with a trip to Adelaide, and this year's venue of the Turf Bowlers' Association at Canberra promises to be bigger and better than ever.

Owing to bowling greens not being available the Club's pairs handicap and singles championship have not progressed very far.

In the pairs handicap at Rose Bay, George Cohen with Gordon Lovett against Nick Solomon and Ken Brown, were trailing two shots. They were two down on the last end and two shots down on the head, with only one bowl to be played by George.

As there were only six bowls on the green — three by each team — George drove with his last, taking out the three opposing bowls to record a four

giving a win by two shots.

After playing good bowls to reach the finals of the Eastern Suburbs pairs championship, Noel Hough and Len Burke, were beaten in the final. To make it a bad week, playing with Doug Jordan, they were beaten on the following Thursday in the final of Waverley Club's triples championship, by a team skippered by Roger Moyle.

The final of the Double Bay fours was fought out by two Tattersall's Club skippers, with Jack Kellaway beating Ron Relton.

Trophy Presentation Night a Big Success

Reverting to tradition; The presentation of trophies to the deserving recipients from their successful efforts in our 1966 billiards and snooker tournaments, at the gala function in our main club room on the night of June Twentieth, attracted a splendid crowd of 150 with members' ladies in very pronounced evidence.

Following the presentation of trophies by our Chairman Mr. Frank Carberry, those present were thoroughly entertained by an expert demonstration of just how the game of snooker should be played by two of our State's most outstanding players in Ed Charlton (Australian professional snooker champion) and Rex King (N.S.W. amateur snooker champion). Our thanks go to these two champions who both donated their services gratis for our entertainment and our congratulations particularly to Rex King for his outstanding effort in match play against his formidable opponent. Ed Charlton's demonstration of his terrific bag of snooker trick shots culminated an evening of sheer delight for all present.

Inter-Club Snooker Competition

At this writing we have played the first two matches in this year's contest, losing to the Royal Automobile Club away by two matches to one, and winning at home from Imperial Services Club by a like margin.

On neither occasion was Tattersall's team at full strength—so we

Chairman Frank Carberry presents George Mousally with his trophy.

There's a lot to be said for the old adage 'too many cooks spoil the broth' but it certainly doesn't apply to travel! And there are over 400 Cooks offices in 57 countries to prove it!

Sophisticated travellers know how valuable it can be to have the man from Cooks' close at hand when needed. And remember too — Cooks handle every type of travel from Conducted Tours to Independent Travel — at no extra charge for their 125 years of experience.

An Old English-Looking Stable Needed

"If only we had a 17th Century stable."

This remark was overheard recently emanating from a group of Tattersall's members at the bar, and led us to two things — to join and have a few drinks and promise to publicise a need. This group turned out to be the movie group discussing forward shooting of the "Tattersall's Story."

It may be news to some members that "Tattersall's Story" is still being filmed, but we can assure you it is, and in fact there is a surprising amount of footage in the film can.

Bob Burgess, Director of Photography of this film, stated that there was plenty of film in the can and a lot more ahead before it is finished, but to date Charles Donnelley had not got his hands on it!!

This last remark puzzled us until later when we had a chance to speak to Stan Lands and David Boyce, who are the co-producers and directors of the epic. On asking who was Charles Donnelley we learnt that he is the Editor, and were further enlightened that the Director of Photography and the Editor are always at loggerheads, with the former alleging that all his best shots end up in the waste film bin.

This is why we need an old English stable. It appears that part of the "Tattersall's Story" goes back to England when the original Richard Tattersall established Tattersall's Sales at Hyde Park Corner in 1766. To date the crew have been shooting around this scene due to the lack of a suitable setting, but the time has now come to film this segment.

If any member has an old English-looking stable some where with or without a hand pump in the courtyard, the producers would be most happy to hear about it, but don't worry about the pump — they'll supply that if necessary.

Now, all members with old English architectural stables — there is no need to form a line to see those concerned, but it would be appreciated if you would contact Tony Bonnici at the office who will take it from there.

CHANGING YOUR ADDRESS?

In order to keep our records up to date the office should be immediately notified of any change of address. If by any chance you know of a member who is not receiving his magazine or other mail would you please advise him to do likewise.
